## Evercreech Parish Council March 2021

- Memorials may be placed only on those grave spaces where the Grant of Exclusive Right of Burial has been purchased.
22. Permission to erect a Memorial or to add an inscription to a memorial must be granted by the Parish Council prior to its installation. Permission is also required to carry out works to existing memorials. Applications in writing to erect a memorial are usually received via an approved Monumental Mason, together with the appropriate fee. There are certain size, type, and installation requirements to be adhered to, the details of which are available from the Monumental Mason or the Clerk. Tablets only are permissible in the cremation area.
  23. All applications are to *clearly* indicate the following:
    - The name and full postal address of the applicant who will be deemed the owner of the memorial.
    - A full description of the memorial to include the size, material used, vase type, lettering type, inscription and fixing to be used.
    - The date of interment.
  24. All memorials must be erected in accordance with the NAMM Recommended Code of Working Practice, fixing systems recommendations with patent anchor system.
  25. Where memorials are removed to effect repair or to add an inscription, the Monumental Mason be requested to reinstate using the anchor system as recommended by NAMM.
  26. The owner/applicant should request a 10-year Guarantee of Workmanship from the Monumental Mason contracted to carry out the works (This is a requirement that the Parish Council insists upon in its contract with monumental masons)
  27. The grave number must be inscribed on rear base.
  28. The Parish Council reserves the right to refuse an application to erect a memorial and/or the use of certain wording deemed inappropriate.
  29. No works are to be carried out prior to permission being granted.
  30. The details of the memorial application are not to be altered in any way once the Parish Council has granted permission. Such subsequent alterations must be applied for in writing..
  31. On approval, a Grant of the Right to erect and maintain, or add inscription to a memorial shall be issued by the Parish Council to the applicant/owner. This Right will be granted for a period of 30 years. During that time, the owner is responsible for maintaining the memorial good repair. If the memorial has been maintained in good repair after the 30-year term, the Right can be renewed at the discretion of the Parish Council.
  32. The Parish Council asks to be informed in the event of the Grant of Right to memorial ownership being transferred to next of kin. The name and address of the new owner is required.
