Aged 13½ +?

When it comes to Explorers, it's you who are in charge - choosing your own program and activities.

It's about finding out who you are and what you're capable of.

You could trek across the highlands, build a go-kart, sleep in a hammock, scream as you drop on a rollercoaster, take part in national and international camps, DofE and the Young Leaders scheme; all whilst having a great laugh with your mates and making a difference to your community. The limit is only your imagination.
