The rate per 100,000 currently stands at 248.3 for Somerset with Mendip at 211.1, Sedgemoor at 332.9, South Somerset 193.1 and SW&T at 268.8. The current number of total deaths across the County is currently 3% above the 5-year average and the latest R-value for Somerset is between 1.0 and 1.2. It is vitally important to remember at all times the Hands-Face-Space message.

Somerset Coronavirus Support Helpline: A single phone number is available for anyone in Somerset who needs Coronavirus-related support. 0300 790 6275, is open seven days a week from 8am to 6pm, offering a range of support – from help accessing food or medicines, to emotional and financial support, and employment, housing and business advice.

Vaccination programme roll-out: Somerset residents who have been identified by the Joint Committee on Vaccination and Immunisation (JCVI) as the highest priority are being invited for Covid-19 vaccinations first, including people aged over 80 and health and care staff. Residents should not contact their local NHS services for vaccination, they will be contacted when it's their turn and given the information that they need for their appointment. For more information visit: www.somersetccg.nhs.uk/health/local-services/health-services-during-coronavirus/covid-19-vaccinations-in-somerset

SCC Support: More than 700 County Council staff are being redeployed to support the NHS challenge of rolling out the county's biggest ever vaccination programme. The first community GP-led sites have begun vaccinations and follows the launch of the programme in hospital hubs. Further plans are being drawn up to ensure vaccination in other locations across the county. Operating seven days a week which will require a considerable staffing resource and whilst every effort is being made to avoid disruption to SCC services some impact will undoubtedly be felt in areas outside of vulnerable people services.

High Speed Broadband: Three companies have been selected to roll-out the next phase of full fibre network on behalf of the Connecting Devon and Somerset (CDS) programme, backed by Government funding. Airband, Truespeed and Wessex Internet will be installing full fibre broadband across Devon and Somerset to more than 56,000 rural homes and businesses over the next 4 years.

2. We will protect those front-line staff working with vulnerable people across the county.
